Jeff, Grechen: I received a phone call this afternoon from a Guy Tanz of PNG Environmental in Portland, representing an unnamed insurance carrier with interest in the Ashue Road Asbestos Site. He is aware of the Contractor Group, but apparently not working for them. He asked me if there were any meetings on this site scheduled, and I told him none of which I'm aware. He asked if he could be added to our distribution list for this Site, and I agreed. Accordingly, please add him to your relevant lists.

Contact info: [gtanz@pngenv.com](mailto:gtanz@pngenv.com); phone: (503) 620-2387.

Thanks.
